Wistar's Balsam of Wild Cherry:

Wistar's Balsam of Wild Cherry: Best Remedy Ever Known to Man! For Coughs, Col is, Asthma, Croup, Brouchitis, Influenza, Bleeding of the Luang, Difficult Breath ing, Liver Affections, Pain or Weak-

ness of Breast or Side, First Stages of Coasump. tion Sec. Sec. In short, this Balsam is adapted to every disense of the Lungs and Liver which is produced by our ever varring elimate.
Wild Cherry has long been known to possess important medicinal properties. This fact is familiar to every matron in our land, and physiciaha often prescribe it in different forms for a variety of complaints. Tar, also, has been equally noted for its virtues; and some physicians, whose names are familiar to the whole country, have gone so far as to declare that even consumption could be cured by that alone. In other hands again, it was nearly valueless, owing no

doubt, to their ignorance in preparing and adminis-tering it—a difficulty now entirely obviated by pa-tient experience and long experiment.

The extraordinary medicinal powers of these two substances are now, for the first time, combined and embodied in DR. WISTAR'S BALSAM OF WILD CHERRY. By a nice chemical process, everything deterious or uselds a rejected, so that what remains is the most extraordinary and truly efficacious remedy for all kinds of pulmonary and liver diseases over known to man. A WORD OF EXPLANATION to these

who have known us under the style of Eyans & Co -The business located by us at No. 677 Broadway, New York City, is the oldest established house in the York City, is the oldest established house in the country, and is known world-wide as the original "Evans & Co's Gift Bookstore." Many havetakes advantage of our popularity to advertise under the same name, to increase their trade—and to pretect the few who may be unacquainted with us, we would state that we have ne connection with any other Gift Book House—and though many advertise under the name of Evans & Co., the firm constituted by D. W. Evans and J. H. Parsayov, is the firm of the constituted of by D. W. Evans and J. H. Paeston, is the first and only concern rightfully using the name. But to pre-
